PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

This chap Alley at Pahokee high school seems to be able to instill plenty of the old fight in his pig-skin toters! Last week the group of youngsters went up against Ponce de Leon—a much stronger and supposedly better team—and on paper it looked like a warm-up game for the Dade county lads. But not so! Coach Alley whispered a few magic words to his crew of youngsters and when the shoot-in was over the Blue Devils were on the long end of a 14-13 score. Call it luck if you want to. It's the score that tells the tale.

Tonight on Lair Field Coach Alley will send his boys out against Technical High School of Miami in what should be an interesting game. It is the first home game of the present season and without a doubt there will be a capacity crowd on hand to witness the opener. The Dade county school is highly touted as an outstanding group of players and Alley's luck may have to be stretched to the 15th grade to win tonight's battle under the lights. It starts at 8:15 by the only time we now have. So, make it a point to be there.

My speaking engagements come by spells. During the past few months I've been so busy trying to keep county roads out from under water that I haven't had time to do much public speaking. However, starting Oct. 15 I'm going to try out a new speech on the Business and Professional Woman's club of Pahokee. Then the following day I am scheduled to speak before the Rotary club in Lake Worth. If the speech on the 15th goes pretty good, I'll use it again the next day. I'm of the opinion that enough has been said before civic clubs about the chaotic condition of the world today, so, I'm planning a new kind of talk. I've titled it "Life on Lake Okechobee—Then and Now." Of course, the "then" part of it is a little vague but that will be cleared up in the talk—I hope.

Segree Plans For Vegetable Meeting

Roy Segree, president of the Everglades branch of the National Fresh Fruit and vegetable distributors, returned this week from Louisville, Ky., where he attended a directors' meeting of the organization. At the meeting Mr. Segree asked for some special privileges in conducting the forthcoming annual convention in Palm Beach. All special privileges were granted Mr. Segree and in accordance with them he will arrange some special entertainment for the wives of the delegates.

A meeting of the branch will be held at the George Washington hotel in West Palm Beach on Thursday, Oct. 10, Mr. Segree said. Wives of local men will be entertained that evening at a banquet. In the afternoon a short business session will be held, Mr. Segree said.

Blue Devils Ready For Miami Tilt On Lair Field Tonight

Lair Field will be the scene of a real mixup tonight as local football fans will be in blue heaven when the Blue Devils of Pahokee meet the Blue Blazers of Miami Tech in the first home game of the 1946 season. A large crowd is expected to be on hand for the kick-off at 8:15 p. m. to see Coach Clyde Alley's "miracle" team perform, for it indeed seemed a miracle to dopesters when his Blue Devils upset the powerful Ponce de Leon eleven, 14 to 13, last week.

With Fullback Thomas Dickson, Quarterback Wilbur Geiger, Guards J. E. Spooner and John Oge nursing injuries received in the Ponce tilt, Coach Alley eased up on scrimmage sessions the last week to avoid the possibility of injuring other key players. On the whole, however, the team is in pretty fair shape and does not seem to have caught that well-known football disease, overconfidence, which has proved the downfall of so many good elevens.

Coach Alley and several of his men saw Miami Tech's debut at Flamingo Park last week and they were impressed by the way the Blue Blazers outplayed the Typhoons during the first half. Although the final score was a lopsided affair at the end, Miami Beach had plenty of anxious moments during the first two periods. Particularly impressive was the ball-carrying ability of Tech's Halfback Alfred "Pudgy" Hay. Several of Tech's players are veterans who had high school football experience before entering the service and in Ed Parnell, formerly with Edison High, they have a coach who will take them places.

The two teams are evenly matched in weight, both are high spirited and it looks as if the first home game will be a good one. All the blazers have been assembled, the field is in good shape and Melvin Pugh hopes to have his broadcasting system in working order by Friday night. Between halves entertainment on the field will be

Pahokee Senior Class Outstanding

Pahokee High School has one of the most outstanding senior classes of its history. With Tuesday, Election Day, the seniors selected the following officers for the year: President, Harry Fremd; Vice President, Ed Howell; Secretary, Betty Ann Sears; Treasurer, Peggy Moberg; and Reporter, Connie Marshall. The candidates ran neck and neck in the race for vice president, with the last ballot cast for Howell. After taking the chair, Harry Fremd, spoke briefly to express his appreciation and promise to lead the class in outstanding events and plans for the year.

A record class of thirty-nine, all of whom are members of the band, cheerleaders, and football players, with the exception of thirteen, are also outstanding students: Harry Fremd, who served as Junior Class President last year, also held the office of President for two years in the F. F. A. Vice President Ed Howell, held office as Treasurer of the F. F. A. Betty Sears was secretary for two years and Peggy Moberg also held the office of treasurer two years. The seniors chose Mrs. Moberg, Mrs. Morgan, and Mrs. Fremd as room mothers.

From the appearance of the past record of the class, a promising year is expected and foremost of plans are an Annual and a Senior Class Play.

Farmers To Discuss Picking Prices

L. B. Cook of Belle Glade said yesterday that a meeting of farmers, growers and contractors is scheduled for Monday night at the city hall in Belle Glade at which time picking prices will be discussed. Another subject of vital concern to come up for discussion will be the weight of picked hampers. In other growing area beans are picked by weight and some of the growers feel that the same rule should be put into effect in this section. If you are interested you are urged to be in attendance at 8 p. m. Monday night at the city hall in Belle Glade.

The group voted to distribute available funds, in proportion to allocations in the budget, to the Crippled Children's Society, the Kiwanis Free Dental Clinic, the City Library and to public playground projects, as needed up to the allocated amounts. A committee will be formed at a later date to investigate and supervise the distribution of funds to worthy local charities.

Southern Stability

During 1944 only 7 1/2 per cent of the business failures in the United States were listed in the South. Since this section has about 26 per cent of the country's business concerns, that is a significant record.

It indicates, as the Manufacturers Record, pertinently points out, that the South presents an opportunity instead of an economic problem. It is proof that the South is developing new vigor and resources which are the envy of other parts of the nation.—Greenville (S. C.) Piedmont.

Ear Trouble

When W. J. Jordan, New Zealand delegate, arose recently at the Paris peace conference to express his disgust with "listening to quack, quack, quack hour after hour," he made a most grievous error.

Of course, perhaps we should have expected it from Mr. Jordan, whom Russia's Andrei Vishinsky promptly branded a "hot-head." Who but an impatient hot-head could possibly have interrupted the August proceedings to remark, "want to see something done in my lifetime?"

We feel it our duty, nevertheless to point out that sharper ears than Mr. Jordan's would hear in the endless squabbling of the Paris peace chambers not the quack, quack, quack of a duck out of water but the tick, tick, tick of the atom bomb.—Tallahassee Democrat.

Monkey-Faced Owl Disturbs Slumber Vertommen Home

The thrills and chills of Halloween arrived a month early at the home of Mr. and Mrs. A. L. Vertommen on Belle Glade Road. Early one morning last week, in that black and spooky hour before dawn, Mrs. Vertommen was awakened from her slumber by loud thumpings against the windowpane, followed by ghostly swishing sounds. Alarmed and thoroughly frightened she snapped on the light, gasped at what she saw and hurriedly shook her snoring husband.

"Get it, Louie," she cried, "There it is over there, get that thing!"

"Shaking the sleep from his eyes and groping around for some kind of weapon, Louie shouted, "What are you talking about? I don't see anything—who is in here—where is he?"

"There he is behind you," screamed his wife.

Louie wheeled around and felt the roots of his hair tingle as he stared into the "baleful, glaring eyes of the intruder. He blinked unbelievably—surely he was still asleep and this was a nightmare—a witch astraddle a broomstick was the only thing missing to make this a fearful Halloween scene. How in the world could that huge monkey-faced owl have gotten into his house!

Thunderstruck, he stood motionless for a few moments looking the owl over, then suddenly knew the answer—the bird's sooty feathers showed that it had somehow fallen down the chimney into the fireplace.

For several minutes the Vertommens had an owl-chasing time before they cornered and subdued the angry bird in a clothes closet. Louie says detective stories are okeh, but if you want some real shivers to play up and down your spine just wake up some dark night and find a monkey-faced owl trying to make a shamble of your bedroom.

SATURDAY, OCT. 5 DEADLINE

Saturday, Oct. 5, has been set as the deadline for non-veteran men entering the armed services to be eligible for the benefits in the GI Bill of Rights after their discharge, according to Claude S. Jones, head of the local Veterans Service office. Veterans who are planning on re-enlisting in the armed services also have until Saturday to re-enlist and still retain the rank they held at the time of their discharge, he said.

Funeral Services For W. Z. Barnett

Funeral services for Walter Zenith Barnett, 70, were held at the graveside at Port Mayaca Cemetery on Wednesday, Oct. 2, at 10 a. m., with Rev. Carl A. Moberg, pastor of the Pahokee First Baptist Church, officiating.

Mr. Barnett, a resident of Pahokee for 10 years, died at the local hospital Sunday following a long illness. He was a native of Henry County, Alabama, and was engaged in the turpentine business before his retirement 10 years ago.

Survivors include two sons, Walter Z., Jr., USN, now on overseas duty, and Lotus S., USN, stationed at Bainbridge, Md.; a brother, John S. Donaldsonville, Ga.; and four sisters, Mrs. Ruby Lee Justice and Mrs. Rosadel Weaver, both of Pahokee; Mrs. Sally Spooner, Immokalee, Fla.; Mrs. I. J. Hill, Donaldsonville, Ga.

Berry's Funeral Home, Pahokee, was in charge of arrangements.

Baptists Of Pahokee Start New Church Year Next Sunday

Sunday will mark the first Sunday of the new church year for the First Baptist Church of Pahokee, as with Southern Baptists everywhere. Commensurate with the occasion, the ordinance of the Lord's Supper will be observed. It is respectfully requested that all officers, members and friends be present that this consecration service might mean for the church a year of God's blessing.

The pastor, Rev. C. A. Moberg will preach on the subject "Living for Jesus." The Ladies Quartet, Miss Peggy Ann Moberg and the Mesdames R. Grimes, C. Baker and C. Moberg will sing "There is a Green Hill Far Away." All Sunday School teachers and their classes are urged to attend this service.

At the night service beginning at 7:45, the pastor will preach the concluding sermon of the series started some time ago on the Baptist "Articles of Faith," titled "Eternity." This will prove timely in view of the verdict and sentence of the Nuernberg International Military Tribunal. The musical family of some fifty consisting of choir, orchestra and quartet will augment the "Illuminated Cross Meditation Sing." The pastor cordially invites in behalf of the church all unaffiliated Baptists of this area to place their membership in the local church thus beginning the church year in terms of activity. A most cordial greeting awaits all visitors.

Methodist Of Canal Point To Discuss Plans For Building

The Canal Point Methodist observance of World Wide Communion Sunday, October 6, will be held at the Evening Service, 7:30 P. M. instead of in the morning as previously planned. This move was decided by the church congregation last Sunday in an effort to help make it possible for many to attend who can not do so in the morning. This is an outstanding day in our church as we join our fellow men the earth around in our prayers for peace and righteousness and in the Sacrament of the Lord's Supper. Our altar is open to all who desire to come in the spirit of humble devotion regardless of church affiliation. The message for the evening will be a short communion meditation "The Strength of a Million Arms". The MYF will hold a candlelight Installation Service as part of the service, the members of the congregation taking part. The time: 7:30-8:30 P. M. this coming Sunday.

In the morning at 11 the minister, Rev. William T. Blair, will bring the sermon "Open the Door!" from the text in the book of Revelation "Behold, I stand at the door and knock; if any man hear my voice and open the door, I will come in to him, and will sup with him, and he with me." (Rev. 3:20) The theme will be that of the many doors waiting to be opened by people in this community . . . doors opening on untold promise of great things for the future of all of us.

The Junior Fellowship will hold an organizational meeting this Friday at 4:30 P. M. This group is open to boys and girls from 8 to 12 years of age and will be organized in the manner of the Methodist Youth Fellowship for the older group. We want to make a church home for all of our people, and this is the second step in the process. The next group to organize will be the Young Married People's Fellowship. The minister and Mrs. Blair are sponsoring the Junior Fellowship, as they are the MYF. The minister will furnish transportation for those boys and girls who ride the school bus so that parents will not have to worry about their children getting home, in time for dinner.

A meeting for all Officers and Teachers of the Sunday School will be held at the personage on the evening of Friday, October 11 at 7:30.

A delegation from the church will attend the Rural Life Conference to be held at Davie on Thursday, Oct. 10.

The minister is completing his

pastoral calling on all members and friends of the church, extending a personal invitation to join us in our World Communion Service and Day of Victory in the Year of Exangelism in the Crusade for Christ. The local church has almost doubled its quota of new members in that one year period in which the Methodist Church has found one million new members. Plans for the Building Committee meeting to discuss the planned addition to our church will be made at the Morning Worship Service on Sunday.

Knight - Straehle

Miss Carlyle Straehle, daughter of Mr. and Mrs. C. A. Straehle of Pahokee, and Norman D. Knight, son of Mr. and Mrs. Fred Hart of Savannah, Ga., were married at the Pahokee Baptist parsonage on Tuesday, Oct. 1, with Rev. C. A. Moberg, pastor, reading the vows at the double ring ceremony.

Mrs. C. A. Moberg, vocal soloist, sang "Always" and "I Love You Truly," accompanied at the piano by Miss Peggy Moberg who also played the traditional wedding march.

The bride wore an aqua blue two-piece, light-wool traveling suit with beige accessories. She is a graduate of Commercial High School, Savannah, and before her marriage was employed by the government in the Malaria Control Laboratory in Georgia.

Mrs. Charles Brown was matron

of honor and J. R. Miller, Sr., uncle of the bride, was best man.

Mr. Knight is also a graduate of the Savannah Commercial High School. He is an electrician's mate 1-c in the U. S. Navy now on 60-day terminal leave and is scheduled to receive his discharge on Nov. 20, after 4 years in the service including three years of overseas duty. Among the decorations he received while in the Navy is a presidential unit citation with Bronze Star. He is now employed by the Florida Power and Light Company.

Following their honeymoon the couple plan to be at their home in Pahokee after Oct. 9.

MEN'S BIBLE CLASS

The Pahokee Bible Class for men conducted its regular business meeting Monday night in Fellowship Hall at eight o'clock. The group plan was presented by the teacher, Rev. C. A. Moberg. It was unanimously adopted, whereupon captains were selected and upon acceptance will be voted upon Sunday. The membership vice president T. W. Knight will lead this group. Plans for a fish fry with the ladies as special guests, will be presented Sunday by the social vice president C. R. Wroten. This week's lesson which will begin a series on the life of Paul, will be discussed with class by the teacher. The class quarter will sing. All unaffiliated men and visitors are cordially invited to attend. The class meets in Fellowship Hall at 9:45.

Mrs. V. R. Elarbee and daughter, Mrs. Phara Mock, visited Mr. and Mrs. Vernon R. Elarbee in Tampa over the weekend.

Baptist Article Of Faith "The World To Come"

"We believe that there is a radical and essential difference between the righteous and the wicked; that such only as through faith are justified in the name of the Lord Jesus, and sanctified by the Spirit of our God, are truly righteous in His esteem; while all such as continue in impenitence and unbelief are in His sight wicked, and under the curse; and this distinction holds among men, both in and after death. We further believe that the end of this world is approaching; that a solemn separation will then take place; that the wicked will be adjudged to endless punishment, and the righteous to endless joy; and that this judgement will fix forever the final state of men in Heaven or Hell, on principles of righteousness."

FLORIDA'S NEW U. S. SENATOR

United States Senator Spessard L. Holland
Bartow, Florida

White-haired, young-looking Spessard L. Holland of Bartow, Florida's wartime governor, is in Washington to join Claude Pepper as the state's team in the United States Senate.

Gov. Millard Caldwell named his predecessor as governor to the unexpired term of the late Sen. Charles O. Andrews, after first offering it to Mrs. Andrews.

Expressing her appreciation of the offer, Mrs. Andrews declined with the comment that she felt she should retire to private life.

"The problems confronting the representatives of the people in congress are very pressing and important, and the people of Florida have selected Charlie's successor," she said.

"I feel that the interest of the people would be better served if he assumed immediately the responsibilities of the trust."

Holland, gaining three months' seniority over a dozen other new senators who will not assume office until January, announced that he would go to Washington at once to establish an office.

He said he would ask the members of Andrews' Washington office staff to remain, at least until the end of the year.

The ex-governor won the Democratic nomination to the senate over former Congressman Lex Green and other opponents in the May primaries, after Sen. Andrews' decision not to run for re-nomination, but his regular six-year term is not scheduled to begin until January.

His accession to the senate caps a long, successful career of public service for Holland. He is a native Floridian, having been born in Bartow.

Holland's first public office was as prosecuting attorney for Polk county. Then he served for eight years in the state senate and then four years in the governor's chair.

His administration as governor was marked by financial reforms, particularly those strengthening the county road bond structure, lowering the intangible tax ceiling from five mills to two, refunding of the Everglades Drainage district, which resulted in cutting its bonded indebtedness to less than 25 per cent of the original figure, and the 100 per cent assessment law.

While Holland's World War II service was on the home front as governor in charge of the state defense machinery into which 338,000 citizen volunteers were enlisted, he was at the front in World War I. After serving for a while with the Coast Artillery, he obtained a transfer to the Air Corps.

Most of his Air Corps service was as an observer, but he shot down two planes and had his plane

shot down behind American lines. He came out of the war a captain, with the Distinguished Service Cross for "valor in action."

Like Pepper, Holland was a good student. To offset his colleague's Phi Beta Kappa key, the new junior senator can point out that he once qualified for a Rhodes scholarship.

He also was an outstanding college athlete and was offered a contract with the Philadelphia Athletics after pitching an exhibition game against them while at the University of Florida.

During his campaign last spring for the senate, Holland pledged support to the United Nations, maintaining strong military preparedness, strengthening veterans legislation, reducing the national debt and expanding humanitarian services, including aid to the needy aged, the blind and dependent children.

Holland is expected to follow a more conservative course than Pepper, and a less conservative one than did Sen. Andrews.

Most convenient label for Florida's new senator is that of "conservative liberal."

Council Members Visit Lions Club

Luke Fraser, program chairman, introduced his honor, the mayor, who in turn introduced the councilmen to the Lions. Each of the city officials, in brief talks, told of his work in the city government, following which the club gave the group a vote of confidence.

Claude Jones reported that the buildings being sold by the government at Camp Murphy were available to veterans only if used for business purposes. Frank Rozelle announced that the lighting system at Bateman Field was ready for the start of night diamondball games. It was also announced that the Hon. Dwight L. Rogers of Fort Lauderdale will be guest speaker at the next meeting of the club.

Bert Childers and the Melon Patch

Bert Childers put an ad in the Clarion the other day. Here's what it said:

"Planted more melons than I can eat this year. Stop by and pick as many as you want. All free."

As you can guess, plenty of folks sent their kids over and plenty of the parents came too. Stripped Bert's melon patch in no time. And as they went away, Bert treated the kids to lemonade, and offered the grownups a glass of ice-cold sparkling beer.

Naturally it puzzled some folks ... but Bert explains: "It gives me a kick to share things when I can afford to—whether it's the melons, or the lemonade, or beer. I guess I just like to indulge my whims."

From where I sit, if we had more "self-indulgent" people like Bert who believe in share and share alike, live and let live, this tired world would be a whole lot better off!

Pahokee High School Cheer Leaders

The life of a cheerleader is a hard one, but also a happy one, so the Pahokee cheerleaders claim. Hard because they try to, please the majority and not the few, and happy because of winning a game such as was witnessed last Wednesday night when Pahokee, the underdog, defeated Ponce de Leon, a much larger high school.

There are five girls in the squad this year. The five are Loretta

Wilson, Johanna McKinstry, Doris Harper, Gwenette Reeves, Ann O'Connell.

The uniforms are a little different this year. Of course, the color scheme is still blue and white. An alternating blue and white gored skirt is set off by a white quarter-length sleeved blouse, buttoned down the back with blue covered buttons. It has a Peter Pan collar and a "P" on the front

of the blouse. The tights are blue.

The pep squad is much larger this year and also more colorful with their P. H. S. hats. By wearing the hats, Pahokee makes a much more conspicuous showing and by giving the new yells, as well as the old ones, they are showing much better school spirit. The cheerleaders appreciate Pahokee High enthusiasm.

Expect 200 To Attend Rally Day Oct. 6th

The annual Promotion and Rally Day at the Pahokee Methodist Sunday School will be held Sunday, Oct. 6, with the attendance goal set to pass the 200 mark. Pupils who have successfully completed a year at the church school will be promoted to upper classes, following which newly appointed officers and teachers of the school the congregation will observe World-wide Communion Day and Rev. C. T. Howes, pastor, will deliver a sermon on "Communion Meditation on World Brotherhood." The public is cordially invited to attend.

Candlelight Service For Youth Group

The Methodist Youth Fellowship of the Canal Point church will hold a Candlelight Installation Service as a part of the World Communion Service in the evening of October 6 (7:30-8:30 P. M.) At that time the newly elected officers of the fellowship will make their pledges of service for the coming year. The service will be a moment of inspirational beauty as the entire fellowship body and the members of the congregation join in the Service of Lights.

Those members who will be installed as officers for the coming year are: Elwood Dart, President; Mary Helen Hooks, Vice President; Max Wilson, Secretary; Stanley Hooks, Treasurer; Sarah Dart, Commissioner of Worship; Thomas Dickson, Commissioner of Recreation; Bill Elam, Commissioner of Community Service; and Bill Jernigan, Commissioner of World Friendship.

The members voted unanimously to keep the weekly meeting time on Monday nights. The group will meet each Monday at the Methodist parsonage at 7:00—the meeting concluding by 8:30-9:00. The period from 7 to 7:30 will be for free and guided recreation. At 7:30 the Fellowship will join in a service of devotions, followed by the business meeting, discussions, planning meetings, refreshments, and social periods. The immediate topic of discussion is that of recreational outlets in the Canal Point area.

The MYF is open to all young people between the ages of 12 and 23.

Mrs. Nola B. Smith, Mrs. J. Leo Maxwell and son, Gilbert Mead, of Pahokee and Miss Kansas Todd of Canal Point left yesterday for Mississippi where they will spend 10 days visiting relatives.

CHURCH OF CHRIST, SCIENTIST

"UNREALITY" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, October 6.

The Golden Text is: "All that is in the world, the lust of the flesh and the lust of the eyes, and the pride of life, is not of the Father, but is of the world" (I John 2:16).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Hath a nation changed their gods, which are yet no gods? but my people have changed their glory for that which doth not profit. But where are thy gods that thou hast made thee? let them arise, if they can save thee in the time of thy trouble" (Jer. 2:11,28).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause" (p. 207:20-23).

Mr. & Mrs. George Nobles of Canal Point have been returned to a West Palm Beach hospital suffering from polio. They had returned to their home in Canal Point only a few weeks ago after undergoing treatment in West Palm Beach for three weeks for polio. They had been discharged as cured but recurrence of the dread disease came about during the week end and immediate arrangements were made for their re-admittance to the hospital for treatment. The Nobles family has four children who have been living in the house with them since their return the first time from the hospital, but to date none of the youngsters has contracted the disease.

Highway Patrol Erects New Tower

Work has been completed on the erection of the 200-foot antenna tower at Pahokee for the State Highway Patrol broadcasting system and receiving equipment is now being installed in the broadcasting room located in the Pahokee city hall. The station's transmitting power is being stepped up from 50 to 250 kilowatts and it is believed the police broadcasts will have a radio sufficient to cover all of South Florida.

Tiny Todd has been employed as day operator at the station and James E. Sullenger, night operator.

Pahokee Scout Troop Being Re-organized

Scoutmaster Melvin Spooner and members of his Pahokee Boy Scout Troop 23 are busily engaged these days in reorganizing the troop and making plans for renewed activities for the fall season. At the meeting last week four patrols were organized with Leland Shirley, Steve Kirk, Ralph Chaney and David Ramey named as patrol leaders. John T. Pickett, Jr., was chosen senior patrol leader. The troop meets regularly once a week at the scout hut on Bacom Point Road on Thursday at 7:30 p. m. The troop is now engaged in a membership drive with an open invitation to all boys of 12 years or over to attend the next regular meeting and join the scouting movement. Plenty of activity and lots of fun are in the troop plans for the future.

On Saturday night Troop 23 sponsored a dance at the Woman's Club with Scoutmaster Spooner in charge of arrangements. Approximately 40 scouts and guests were present.

Local Boy Scouts will present the program at the first meeting of the Pahokee Parent-Teacher Association in the school auditorium on Monday night, Oct. 14. A Boy Scout Court of Honor for the North Glades District of the Gulf Stream Council will be conducted as part of the program.
